Sir,

ALLOWANCES - Tasdik - (South Kanara) - Udipi taluk - Institution Nos.214 and 226 - Deduction of full tasdik allowance from Resettlement assessment - Proposals submitted.

Ref: Bd's Proceedings Mis.585 dated 29-4-48.

--

While sanctioning deduction of tasdik allowance at the full rates to institution Nos.72, 75 and 77 from the Resettlement assessme of muli warg No.37, of Udyavar village, Udipi taluk, the Board in its order cited above, directed that applications from the remaining 15 institutions, where similar concession is called for should be secured and proposals submitted in due course.

2. Proposals in respect of 5 out of the above 15 institutions, were submitted, already and final orders were passed by the Board, in those cases, in BP.Mis.435 d/26-4-49, BP.Mis.133/49, d/10-2-49, BP.Mis.136/49, d/10-2-49 and BP.692 d/d.25.6.49. Proposals, in respect of the last two, of them, (items 14 and 15 of this office report Ref.A5.8824/47 d/12-3-48) and dealt with in BP.Mis.585 d/29-4-48, are now submitted, for orders of the Board. In the remaining cases final proposals will be submitted as early as possible.

Institution No.214, Agalimata, Gopalakrishna Dev, has been in receipt of a tasdik allowance of Rs.9-10-6, (tasdik Rs.8.12.10. plus 10% commission for collection Re.0-13-8); Rs.4-10-6, was assigned from Mule Warg No.61 of Nadsal village, Rs.4/- from Mule Warg No.37 of Kuthiyar village, and Re.1/- from Mule Warg No.6, of Tenka village; Similarly institution No.226, Kabbinadi Gopala krishna Dev, has been in receipt of a tasdik allowance of Rs.19-13-0 (tasdik allowance Rs.18/- plus 10% commission for collection Rs.1-13-0) payable by assignment of land revenue; Rs.18-9-1, was assigned from Muli warg No.61 of Nadasal village, and Rs.1-3-11 from Muli Warg No.23 of Padebettu village.

As the Settlement Assessment of Rs.16-11-0 of the plots comprised in Muli Warg No.61 of Nadasal was not sufficient to cover the amount of tasdik allowance due to the two institutions, only an amount of Rs.3-5-6, was paid to institution No.214, from Muli Warg No.61 of Nadsal village, leaving a balance of Rs.1-5-0, unassigned. For the same reason, an amount of only As.11. was paid to institution No.214, from Muli Warg No.6, of Tenka village, leaving a balance of As.5 unassigned. Similarly, an amount of only Rs.13-5-6 was paid to institution No.226, leaving a balance of Rs.5-3-7 unassigned. The trustee of the two institutions applied for the payment of the full allowance under the B.D.system subject to deduction of the 10% allowed for collection. A statement showing the settlement and Re-settlement of the muli wargs from which the allowance is now deducted by assignment of land revenue, etc., is appended. The resettlement assessment on muli warg No.61 Nadsal falls short of the amount of allowance assigned by Rs.4-5-7 and that on muli warg No.6 of Tenka by Re0-13-0. But as the total resettlement assessment on the various muli wargs responsible for the payment of the allowance is in exeess of the amount required for payment under the B.D. system, sanction may be accorded for the payment of the full allowance to the two institutions under the B.D. system, Rs.8-12-10 to No.214 Agalimata Gopalakrishna Dev and Rs.18/- to No.226 Kabbadi Gopalakrishna Dev and for the reimposition of the full assessment on the various subdivisions from which the allowance is now deducted by assignment of land revenue.

The connected records of enquiry are enclosed.

Sir,

Allowances - Tasdik - (South Kanara) - Udupi Taluk - Institutions Nos.214 and 216 - Deduction of allowances at full rates - further report.

Ref.Bd's Ref.I.3332/51-1 dated 17-5-51.

The proposal submitted by me was for sanction for the payment of the full allowance under the Beriz Deduction system viz., Rs.8-12-10 to institution No.214 Agalemata Gopalkrishna Dev and Rs.18/- to institution No.226 Kabiadi Gopalkrishna Dev. The total amount thus payable to the institutions under the B.D. system will be Rs.26-12-10 which is exclusive of the 10% extra for expenses for collection. The resettlement assessment on all the muli wargs together is sufficient to cover the total payable under the B.D. system though specific amounts from each of the items do not together cover the sum required. If the proposal to allow the full allowance by lumping together the assessment on all the wargs cannot be accepted further action may be dropped as the trusted has requested the payment of the allowances at full rates.
